Tammi Lonergan, MCS Community Services

1. Welcome (Suzan Nash)
2. Provider Update (varies)
 - a. YWCA of Quincy: 1 opening in transitional housing.
 - b. WIRC: 1 opening in Monmouth unit.
 - c. Bridgeway: the apartment complexes are full with a waiting list; there are 2 opening in their group home. Priority level for the group homes are abused, neglected, or homeless individuals.
 - d. Samaritan Well: currently have 4 adults and one baby.
 - e. WCICIL (Quincy): change-over in staff and also preparing to move on June 1 (3rd & Maine). Exploring new funding opportunities through HUD.
 - f. Salvation Army: update on Kroc Center.
 - g. TRRC: no shelter funds available at this time.
3. DHS Funding Caps (Suzan Nash): the continuum decided not to impose a funding cap on the homeless prevention program funds received by DHS. Suzan will submit appropriate paperwork to DHS.
4. 2007 HUD Grant Application (Lori Sutton and others): discussed/correct grant application. Lori will send e-mails to certain individuals collecting more information for the grant application. Lori will need final paperwork from HUD grantees by May 21. The grant is due June 8.
5. Code of Conduct (Lori Sutton): 2nd reading of code of conduct. Jeff made motion to vote, 2nd by JoAnna. Code of conduct was approved.
6. Bylaws (Lori Sutton): 2nd reading of bylaw changes. Dan made motion to vote, 2nd by Jeff. Bylaws changes were approved.
7. New Business
 - a. Legislative Update (Nadeja Wesley): please see the attachments for details in regards to: 1. Emergency Food & Shelter Program; 2. Governor's proposed sweep of the Rental Housing Support Program; 3. The Safe Homes Act; 4. Real Estate Transfer Tax.
 - b. CoC Discharge Planning Policy Chart (Suzan Nash): Ted Ernst, DCFS gave the handout information to Suzan, eventually, he would like to meet with us to discuss the program in more detail. (see handout)
 - c. Rental Housing Support Program (Dan Little): Illinois Housing Development Authority (IHDA) has started a new program that organizations can apply for later this year. There was been \$2.7 millions set aside to fund rural areas for 3 years; this should fund 100-140 units statewide. The continuum may be able to be the lead entity with subcontractors for the various areas participating. If the continuum applies for \$500,000, they would receive 10% admin; higher requests receive 7% admin. A \$500,000 should support around 30 units. The application is due November 15,

training will be provided later this summer. IHDA is still making changes to the application form, August 30 is the last day IHDA has to change the ap. Currently the application needs a 3 year commitment by landlords. Dan suggested working with public housing authorities or other professionally-managed rental properties. For more information see <http://www.ihda.org/ViewPage.aspx?PageID=173>

- d. IHDA Tax Credits (Suzan Nash): A private developer wants to build 45 units of affordable rental housing in Macomb. They are applying for tax credits from IHDA. If approved, 7 units would be set aside for persons with disabilities.
8. Future meetings/conference calls (normally 2nd Thursday of month)
 - Sept. 13, 10:30 a.m., WCICCC Steering Committee conference call
 - Peer-to-Peer, September, more to come
 - Oct. 11, 10:30 a.m., WCICCC Full Continuum conference call
9. Training Opportunities

Rental Housing Support Program, training sessions for Local Administering Agencies. Other interested parties, such as landlords and service providers are welcome to attend. The trainings are free but have a limited capacity. Please see the following website for registration information and additional training schedules (<http://www.ihda.org/ViewPage.aspx?PageID=228>)

RE: IDHS Homeless Prevention Program / Continuum-Wide Funding Cap Policy

Dear Ms. Nash:

IDHS Homeless Prevention Program policy requires that each Continuum of Care obtain approval prior to implementing any caps on program funding. This includes dollar amount caps (i.e., no greater than \$1,500 per household) as well as span of time caps (i.e., no greater than one month of assistance).

Furthermore, **all caps have to be implemented Continuum-wide. Individual agencies receiving IDHS homeless prevention funds can not establish their own cap criteria.** It's an all-or-none policy: all agencies need to either adhere to an approved Continuum-wide cap or not.

The least restrictive caps for the Homeless Prevention Program are the ones outlined in legislation. They are as follows:

- No greater than three months of rental arrears.
- No greater than two months of a rent or security deposit.
- Payment of utility bills and arrearage in the amount established as necessary to defeat shut-off (no maximum dollar amount stipulated in legislation).

If you decide, as a Continuum, to establish caps that are more restrictive than the ones outlined above, then you need to complete the attached Funding Cap Request Form. **Even if your Continuum has received prior funding cap approval, the attached form still needs to be completed, as a renewal has to be issued for the upcoming fiscal year.**

If you decide, as a Continuum, to default to the legislatively-imposed caps outlined above, then just check the first box on the attached Funding Cap Request Form and fax it back.

Therefore, within the next month, we are asking that your Continuum meet with all of your IDHS Homeless Prevention fund recipients and do the following:

1. Ensure that there are **no** individual, agency-imposed funding caps for the IDHS Homeless Prevention Program.
2. Decide whether or not you are going to establish Continuum-wide funding caps that are different from the ones outlined (above) in legislation.
3. Based upon your decision, complete the attached Funding Cap Request Form accordingly.
4. Fax your completed form to (217) 557-9673 no later than Tuesday, May 1, 2007.

Thank you, in advance, for your cooperation. As always, please do not hesitate to contact me at (217) 524-5850 with any questions or concerns.

Sincerely,

Gerrah L. Caldwell

- Our Continuum of Care has elected not to impose any dollar amount funding caps (i.e., no greater than \$1,500 per household) or span of time caps (i.e., no greater than one month of assistance) on the IDHS Homeless Prevention Program. We will default to the programmatic caps outlined in legislation.
- Our Continuum of Care has elected to impose funding caps on the IDHS Homeless Prevention Program that are different from those outlined in legislation.

If the second box is checked, please outline (in detail) your Continuum-wide funding cap proposal, including an exception clause whereby requests that surpass your proposed cap would be evaluated and approved when it is in the best interest of the household to do so. (Please use the space provided below and do not attach any additional pages):

Remember: All caps must be implemented Continuum-wide. Individual agencies receiving IDHS homeless prevention funds can not establish their own cap criteria.

B: CoC Geography Chart

Using the Geographic Area Guide found on HUD's website at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. List the name and the six-digit geographic code number for every city and/or county participating within your CoC. Because the geography covered by your CoC will affect your pro rata need amount, it is important to be accurate. Leaving out a jurisdiction will reduce your pro rata need amount. For further clarification, please read the guidance in Section III.C.3.e of this NOFA regarding geographically overlapping CoC systems.

Geographic Area Name	6-digit Code
Adams County	179001
Brown County	179009
Cass County	179017
Hancock County	179067
Henderson County	179071
McDonough County	179109
Morgan County	179137
Pike County	179149
Schuyler County	179169

CoC Structure and Decision-Making Processes

C: CoC Groups and Meetings Chart

The purpose of the CoC Groups and Meetings Chart is to help HUD understand the current structure and decision-making processes of your CoC. List the name and role (function served) of each group in the CoC planning process. Under “CoC Primary Decision-Making Group,” identify only one group that acts as the primary leadership or decision-making group for the CoC. Indicate the frequency of meetings and the number of organizations participating in each group. Under “Other CoC Committees, Sub-Committees, Workgroups, etc.” you should include any established group that is part of your CoC’s organizational structure *and which is involved in CoC planning* (add rows to the chart as needed). Please limit your description of each group’s role to 3 lines or less.

CoC Planning Groups		Meeting Frequency (check only one column)				Enter the number of organizations/ entities that are members of each CoC planning group listed on this chart.
		At Least Monthly	At Least Quarterly	At Least Biannually	Annually	
Example: CoC Primary Decision-Making Group						
Name:	River County Continuum of Care Executive Committee	X				5
Role:	This group sets agendas for full Continuum of Care meetings, oversees project monitoring, determines project priorities, provides final approval for the CoC application, and oversees application submission.					
CoC Primary Decision-Making Group (list only one group)						
Name:	West Central Illinois CoC's Steering Committee	X				7
Role:	This group provides the leadership to bring all the homeless service providers together in the eleven county region. This group is responsible for planning, maintains an inventory of resources and needs, develops HUD and non-HUD grant applications, and coordinates full CoC meetings.					
Other CoC Committees, Sub-Committees, Workgroups, etc.						
Name:	West Central Illinois CoC's Full Continuum		X			70
Role:	This group represents the service providers, economic/community development organizations, local public officials, law enforcement, ministerial associations, and formerly homeless persons. Steering Committee consults the larger full continuum members on matters of great importance. Continuum-wide documents and plans are approved by this group.					
Name:	West Central Illinois CoC's Evaluation Committee				X	2-3
Role:	This group evaluates HUD proposals, reviews APRs and determines project priorities.					
Name:	West Central Illinois CoC's HMIS Committee				X	6
Role:	This group addresses HMIS-related issues.					
Name:	Quincy Area Partnership for Unmet Needs	X				36
Role:	The group exists to compliment the social service system by compassionately responding through networking and collaborative funding provided by individual agencies, churches, and human service organizations to meet the needs of individuals in our community that may exceed the limits of any agency.					
Name:	Interagency Council in Quincy	X				36
Role:	The purpose of the group is to share what is happening in local organizations, such as new programs, services, and/or initiatives.					
Name:	Alliance for Building Community (Quincy)	X				75
Role:	This group is a collaboration of social service agencies, government, law enforcement, business, medical, and education. The purpose is to improve the health in the area by identifying indicators of health/well-being, establishing targets around these indicators and monitoring progress toward these targets/goals.					
Name:	Interagency Council of McDonough County	X				55
Role:	The purpose of the group is to share what is happening in local organizations, such as new programs or services.

D: CoC Planning Process Organizations Chart

List the names of all organizations involved in the CoC under the appropriate category. If more than one geographic area is claimed on the 2007 Geography Chart (Chart B), you must indicate which geographic area(s) each organization represents in your CoC planning process. In the last columns, identify no more than two subpopulation(s) whose interests the organization is specifically focused on representing in the CoC planning process. For “Homeless Persons,” identify at least 2 homeless or formerly homeless individuals. Do not enter the real names of domestic violence survivors.

E: CoC Governing Structure Chart

HUD is considering establishing standards for the governing process and structure of Continuums of Care. As part of this consideration, HUD is gathering information on existing governing structures and processes in CoCs. Specifically, this chart asks for information about the primary decision-making group that you identified in Chart C: CoC Groups and Meetings Chart. No requirements are in place yet; however, the information that you enter will inform HUD's decisions about how to move forward with standards in the future. **Please note:** a response to each question will earn full credit for this chart.

<p>1. Is the CoC's primary decision-making body a legally recognized organization (check one)?</p> <p><input type="checkbox"/> Yes, a 501(c)(3)</p> <p><input type="checkbox"/> Yes, a 501(c)(4)</p> <p><input type="checkbox"/> Yes, other – specify: _____</p> <p><input checked="" type="checkbox"/> No, not legally recognized</p>	
<p>2. If your CoC were provided with additional administrative funds from HUD, would the primary decision-making body, or an agent designated by it (e.g. a city or non-profit organization), be able to be responsible for activities such as applying for HUD funding and serving as the grantee, providing project oversight, and monitoring? Explain.</p>	
<p>3. What percentage of the decision-making body membership represents the private sector, including non-profit providers, homeless or formerly homeless persons, advocates and consumer interests, etc.?</p>	<p>86%</p>
<p>4a. Indicate how the members of the primary decision-making body are selected (check all that apply):</p> <p><input type="checkbox"/> Elected <input type="checkbox"/> Assigned/Volunteer</p> <p><input type="checkbox"/> Appointed <input type="checkbox"/> Other – specify: _____</p>	
<p>4b. Briefly explain the selection process. (For example, if 5 members are appointed and 6 are elected, explain why this process was established and describe how it works.)</p>	
<p>5. Indicate how the leaders of the primary decision-making body are selected (check all that apply):</p> <p><input type="checkbox"/> Elected <input type="checkbox"/> Assigned/Volunteer</p> <p><input type="checkbox"/> Appointed <input type="checkbox"/> Other – specify: _____</p>	

F: CoC Project Review and Selection Chart

The CoC solicitation of projects and project selection should be conducted in a fair and impartial manner. Please mark all appropriate boxes to indicate all of the methods and processes the CoC used in the past year to assess project(s) performance, effectiveness, and quality, particularly with respect to the Project Priorities Chart (CoC-Q). This applies to new and renewal projects. Check all that apply:

G: CoC Written Complaints Chart

Were there any written complaints received by the CoC regarding any CoC matter in the last 12 months?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes, briefly describe the complaints and how they were resolved.	

Part II: CoC Housing and Service Needs

H: CoC Services Inventory Chart

Using the format below, list the provider organizations and identify the service components currently being provided within your CoC. Place the name of each provider organization only once in the first column (add rows to the chart as needed), followed by an “X” in the appropriate column(s) corresponding to the service(s) provided by the organization. CoCs will only need to update this chart every other year; as such, the CoC may choose to provide the chart submitted in the 2006 application.

CoC Housing Inventory and Unmet Needs

I: CoC Housing Inventory Charts

This section includes three housing inventory charts—for emergency shelter, transitional housing, and permanent housing. Note that the information in these charts should reflect a point-in-time count. For the Permanent Housing Inventory Chart, the beds listed under “new inventory” should indicate beds that became available for occupancy for the first time between February 1, 2006 and January 31, 2007. For complete instructions in filling out this section, see the Instructions section at the beginning of the application.

J: CoC Housing Inventory Data Sources and Methods Chart

Complete the following charts based on data collection methods and reporting for the Housing Inventory Chart, including Unmet Need determination. The survey must be for a 24-hour point-in-time (PIT) count during the last week of January 2007.

(1) Indicate date on which Housing Inventory count was completed: <u>01/31/2007</u> (mm/dd/yyyy)	
(2) Identify the method used to complete the Housing Inventory Chart (check one):	
<input checked="" type="checkbox"/>	Housing inventory survey – CoC conducted a housing inventory survey (via mail, fax, e-mail, web-based, phone or on-site) of homeless programs/providers to update current bed inventories, target populations for programs, beds under development, etc.
<input type="checkbox"/>	HMIS – Used HMIS data to complete the Housing Inventory Chart
<input type="checkbox"/>	HMIS plus housing inventory – Used HMIS data supplemented by a survey of providers NOT participating in the HMIS
(3) Indicate the percentage of providers completing the housing inventory survey:	
75%	Emergency shelter providers
89%	Transitional housing providers
100%	Permanent supportive housing providers
(4) Indicate steps to ensure data accuracy for 2007 Housing Inventory Chart (check all that apply):	
<input checked="" type="checkbox"/>	Instructions – Provided written instructions for completing the housing inventory survey.
<input checked="" type="checkbox"/>	Training – Trained providers on completing the housing inventory survey.
<input checked="" type="checkbox"/>	Updated prior housing inventory information – Providers submitted updated 2006 housing inventory to reflect 2007 inventory.
<input checked="" type="checkbox"/>	Follow-up – CoC followed-up with providers to ensure the maximum possible response rate and accuracy of the housing inventory survey.
<input checked="" type="checkbox"/>	Confirmation – Providers or other independent entity reviewed and confirmed information in 2007 Housing Inventory Chart after it was completed.
<input checked="" type="checkbox"/>	HMIS – Compared HMIS and housing inventory survey data to check for consistency.
<input type="checkbox"/>	Other – specify:
Unmet Need:	
(5) Indicate type of data that was used to determine unmet need (check all that apply):	
<input checked="" type="checkbox"/>	Sheltered count (point-in-time)
<input type="checkbox"/>	Unsheltered count (point-in-time)
<input type="checkbox"/>	Housing inventory (number of beds available)
<input type="checkbox"/>	Local studies or data sources – specify:
<input type="checkbox"/>	National studies or data sources – specify:
<input checked="" type="checkbox"/>	Provider opinion through discussions or survey forms
<input type="checkbox"/>	Other – specify:
(6a) Indicate the method(s) used to calculate or determine unmet need (check all that apply):	
<input checked="" type="checkbox"/>	Stakeholder discussion – CoC stakeholders met and reviewed data to determine CoC's unmet need
<input type="checkbox"/>	Locally-determined formula – Used locally-determined formula based on local point-in-time (PIT) count data and housing inventory to calculate unmet need
<input type="checkbox"/>	Applied statistics – Used local PIT enumeration data and applied national or other local statistics
<input type="checkbox"/>	HUD unmet need formula – Used HUD's unmet need formula*
<input type="checkbox"/>	Other – specify:
(6b) If more than one method was used in 6a, please describe how these methods were used.

CoC Homeless Population and Subpopulations

K: CoC Point-in-Time Homeless Population and Subpopulations Chart

Complete the following chart based on the most recent point-in-time count conducted. Your CoC must have completed a point-in-time count of sheltered and unsheltered homeless persons during the last week in January 2007. Part 1 and Part 2 must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. Please note: this chart is embedded as an Excel spreadsheet within this Word document. **To enter data, double-click anywhere on the chart.** For further instructions for filling out this section, see the Instructions section.

Indicate date of last point-in-time count: (01/31/2007)				
Part 1: Homeless Population	Sheltered		Unsheltered	Total
	Emergency	Transitional		
1. Number of Households <u>with</u> Dependent Children:	1	18	9	28
1a. Total Number of Persons in these Households (adults and children)	3	50	19	72
2. Number of Households <u>without</u> Dependent Children**	6	81	119	206
2a. Total Number of Persons in these Households	9	131	138	278
Total Persons (Add Lines 1a and 2a):	12	181	157	350
Part 2: Homeless Subpopulations (Adults only, except g. below)	Sheltered		Unsheltered	Total
a. Chronically Homeless	6		13	19
b. Severely Mentally Ill	15		*	15
c. Chronic Substance Abuse	66		*	66
d. Veterans	1		*	1
e. Persons with HIV/AIDS	1		*	1
Violence	55		*	55
g. Unaccompanied Youth (Under 18)	1		*	1

*Optional for unsheltered homeless subpopulations

** Includes single individuals, unaccompanied youth, and other adults (such as a married couple without children)

***For "sheltered" chronically homeless subpopulations, list persons in emergency shelter only.

L: CoC Homeless Population and Subpopulations Data Sources & Methods Chart

Complete the following charts based on the most recent point-in-time (PIT) count conducted.

L-1: Sheltered Homeless Population and Subpopulations

(1a) Check method(s) used to count sheltered homeless persons in the CoC (check all that apply):	
<input checked="" type="checkbox"/>	Survey – Providers count the total number of clients residing in their programs during the PIT count.
<input checked="" type="checkbox"/>	HMIS – CoC used HMIS to complete the PIT sheltered count and subpopulation information.
<input type="checkbox"/>	Other – specify:
(1b) If multiple methods are checked, briefly describe how data collected using the methods were combined to produce the count.	
(2a) Check the method(s) used to gather the subpopulation information on sheltered homeless persons reported in Part 2: Homeless Subpopulations (check all that apply):	
<input type="checkbox"/>	Point-in-time (PIT) interviews with each adult and unaccompanied youth – All sheltered adults and unaccompanied youth were interviewed to gather subpopulation information.
<input type="checkbox"/>	Sample of PIT interviews plus extrapolation – A sample of sheltered adults and unaccompanied youth were interviewed to gather subpopulation information, and extrapolation techniques were applied to produce the total sheltered homeless population.
<input checked="" type="checkbox"/>	Non-HMIS client-level information - Providers used individual client records (e.g., case management files) to provide subpopulation data for each adult and unaccompanied youth.
<input checked="" type="checkbox"/>	Provider expertise – Providers estimated the percentage of clients belonging to each subpopulation based on their knowledge of their client population as a whole.
<input checked="" type="checkbox"/>	HMIS – CoC used HMIS to gather subpopulation information on sheltered homeless persons.
<input type="checkbox"/>	Other –specify:
(2b) If multiple methods are checked, briefly describe how the methods were combined to produce the subpopulation information.	
(3) Indicate CoC’s steps to ensure data quality of the sheltered count (check all that apply):	
<input checked="" type="checkbox"/>	Instructions – Provided written instructions to providers for completing the sheltered PIT count.
<input checked="" type="checkbox"/>	Training – Trained providers on completing the sheltered PIT count.
<input checked="" type="checkbox"/>	Remind and Follow-up – Reminded providers about the count and followed up with providers to ensure the maximum possible response rate and accuracy.
<input checked="" type="checkbox"/>	HMIS – Used HMIS to verify data collected from providers for the sheltered PIT count.
<input type="checkbox"/>	Other –specify:
(4) How often will sheltered counts of sheltered homeless people take place in the future?	
<input type="checkbox"/>	Biennial (every two years)
<input checked="" type="checkbox"/>	Annual
<input type="checkbox"/>	Semi-annual
<input type="checkbox"/>	Other – specify:
(5) Month and Year when next count of sheltered homeless persons will occur: <u>1/2008</u>	
(6) Indicate the percentage of providers providing populations and subpopulations data collected via survey, interview and/or HMIS:	
75%	Emergency shelter providers
89%	Transitional housing providers

*Please refer to ‘A Guide to Counting Sheltered Homeless People’ for more information on unsheltered enumeration techniques.

L-2: Unsheltered Homeless Population and Subpopulations*

(1) Check the CoC's method(s) used to count unsheltered homeless persons (check all that apply):	
<input type="checkbox"/>	Public places count – CoC conducted a point-in-time (PIT) count <u>without</u> client interviews.
<input type="checkbox"/>	Public places count with interviews – CoC conducted a PIT count and interviewed unsheltered homeless persons encountered during the public places count: <input type="checkbox"/> ALL persons were interviewed OR <input type="checkbox"/> Sample of persons were interviewed
<input type="checkbox"/>	Public places count using probability sampling – High and low probabilities assigned to designated geographic areas based on the number of homeless people expected to be found in each area. The CoC selected a statistically valid sample of each type of area to include in the point-in-time count and extrapolated results to estimate the entire homeless population.
<input type="checkbox"/>	Service-based count – Interviewed people using non-shelter services, such as soup kitchens and drop-in centers, and counted those that self-identified as unsheltered homeless persons.
<input type="checkbox"/>	HMIS – Used HMIS for the count of unsheltered homeless people homeless people or for subpopulation information.
<input checked="" type="checkbox"/>	Other – specify: based on unsheltered count last year and including discussions with service providers.
(2) Indicate the level of coverage of the PIT count of unsheltered homeless people:	
<input type="checkbox"/>	Complete coverage – The CoC counted every block of the jurisdiction.
<input type="checkbox"/>	Known locations – The CoC counted in areas where unsheltered homeless people are known to congregate or live.
<input type="checkbox"/>	Combination – CoC combined complete coverage with known locations by conducting counts for every block <u>in a portion of the jurisdiction</u> (e.g. central city) AND conducting counts in other portions of the jurisdiction where unsheltered persons are known to live.
<input type="checkbox"/>	Used service-based or probability sampling (coverage is not applicable)
<input checked="" type="checkbox"/>	Other –specify: based on unsheltered count last year and including discussions with service providers.
(3) Indicate community partners involved in PIT unsheltered count (check all that apply):	
<input type="checkbox"/>	Outreach teams
<input checked="" type="checkbox"/>	Law Enforcement
<input checked="" type="checkbox"/>	Service Providers
<input checked="" type="checkbox"/>	Community volunteers
<input type="checkbox"/>	Homeless and/or formerly homeless persons
<input checked="" type="checkbox"/>	Other – specify: Media personnel went with the service providers & law enforcement officers and created a series of reports on the homelessness in the area.
(4) Indicate CoC's steps to ensure data quality of the unsheltered count (check all that apply):	
<input checked="" type="checkbox"/>	Training – Conducted training(s) for PIT enumerators.
<input type="checkbox"/>	HMIS – Used HMIS to check for duplicate information.
<input type="checkbox"/>	Other – specify:
(5) How often will CoC conduct PIT counts of unsheltered homeless people in the future?	
<input checked="" type="checkbox"/>	Biennial (every two years)
<input type="checkbox"/>	Annual
<input type="checkbox"/>	Semi-annual
<input type="checkbox"/>	Quarterly
<input type="checkbox"/>	Other – specify:
(6) Month and Year when next PIT count of unsheltered homeless persons will occur: <u>1/2008</u>	

*Please refer to 'A Guide to Counting Unsheltered Homeless People' for more information on unsheltered enumeration techniques.

Part III: CoC Strategic Planning

N: CoC 10-Year Plan, Objectives, and Action Steps Chart

Please provide local action steps and measurable achievements for attaining each of the five national HUD objectives listed, as part of the goal to end chronic homelessness and help to move families and individuals to permanent housing. The percentages listed in these national objectives are the national averages. Your CoC should aim for these targets as a minimum. HUD expects all CoCs to be meeting or exceeding these standards, as these standards will be modestly increasing over time. This is to ensure that CoCs continue to work to serve the hardest-to-serve homeless populations.

If your CoC will not be able to meet one or more objectives, please describe barriers in the space provided. You may list additional CoC objectives as needed. Please note that your Continuum will be reporting on your achievements with respect to each of these objectives in the 2008 application.

For further, detailed instructions for filling out this section, see the Instructions section.

Foster Care:
 UPDATE: HUD McKinney-Vento homeless assistance providers in the region were contacted to see if they were helping individuals that were aging out of the foster care system. None of the providers noted a problem.

Formal Protocol: Every effort is made through careful discharge planning to work with the client and area resources to seek adequate, permanent housing. Permanent housing includes: client returns to family; adoption; live with a relative or friend; live on own; or go to an adult residence or group home. Identification of, and referral for, appropriate services for the client and family are also made.

Health Care:
 UPDATE: HUD McKinney-Vento homeless assistance providers in the region were contacted to see if they were helping individuals that were being discharged from health care facilities into homelessness. None of the providers noted a problem.

Formal Protocol: The social work staff assists the homeless clients in being placed into an emergency shelter. Each individual/situation is different; therefore the assistance the client receives from the social worker varies appropriately. Emergency shelter staff assists clients in finding suitable housing for their situation.

Mental Health:

UPDATE: HUD McKinney-Vento homeless assistance providers in the region were contacted to see if they were helping individuals that were being discharged from mental health care facilities into homelessness. None of the providers noted a problem.

Formal Protocol: Planning for the discharge is started at initial assessment. Discharge criteria are dependent on situation/individual. Once outreach plan is in place, discharge form is completed which includes diagnosis information, treatment, goals, current status, reason for discharge, aftercare plan, and prognosis. Clients are assisted on finding housing and are not discharged into homelessness.

Corrections:*

UPDATE: HUD McKinney-Vento homeless assistance providers in the region were contacted to see if they were helping individuals that were being discharged into homelessness from corrections.

Formal Protocol: The Field Service Unit at the correctional institution contacts the Placement Resource Unit to inform them that the client that is being released is going to be homeless due to not being able to find suitable housing. Placement Resource Unit will contact local shelters in and around the county of commitment that placed them in Department of Corrections. They are then sent to one of the shelters if placement is found. If no shelter is found based upon offense or availability, it is considered a parole violation and the person is sent back to Department of Corrections.

Department of Corrections has a few contracts with selected transitional housing programs for clientele that difficulties exist in placing them in appropriate shelters due to the nature of their offenses. Please note, the emergency shelters in the region do not receive McKinney-Vento homeless assistance funds and the transitional/permanent supportive housing providers receiving McKinney-Vento funds do not accept clients straight from the correctional system.

*Please note that "corrections" category refers to local jails and state or federal prisons.

P: CoC Coordination Chart

A CoC should regularly assess the local homeless system and identify shortcomings and unmet needs. One of the keys to improving a CoC is to use long-term strategic planning to establish specific goals and then implement short-term/medium-term action steps. Because of the complexity of the existing homeless system and the need to coordinate multiple funding sources, there are often multiple long-term strategic planning groups. It is imperative for CoCs to coordinate, as appropriate, with each of these existing strategic planning groups to meet the local CoC shortcomings and unmet needs. Answer each question in the checkbox provided, using an X to indicate Yes or No for each.

1. Consolidated Plan Coordination	YES	NO
a. Do Con Plan planners, authors and other Con Plan stakeholders participate in CoC general planning meetings?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Do CoC members participate in Con Plan planning meetings, focus groups, or public forums?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. Were CoC strategic plan goals addressing homelessness and chronic homelessness used in the development of the Con Plan?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Jurisdictional 10-year Plan Coordination		
a. Is there one or more formal jurisdictional 10-year Plan(s) being developed and/or being implemented within your CoC geography that are separate from the CoC 10-year plan? (If No, you may skip to Question 3a.)	<input type="checkbox"/>	<input checked="" type="checkbox"/>
b. Do 10-year Plan conveners, authors and other stakeholders participate in CoC general planning meetings?	<input type="checkbox"/>	<input type="checkbox"/>
c. Have 10-year Plan participants taken steps to align their planning process with the local CoC plan?	<input type="checkbox"/>	<input type="checkbox"/>
d. Were CoC strategic plan goals used in the development of the 10-year Plan(s)?	<input type="checkbox"/>	<input type="checkbox"/>
e. Provide the number of jurisdictions within your CoC geography that have formally implemented a 10-year plan(s).		
3. Public Housing Agency Coordination

CoC-Q

R: CoC Pro Rata Need (PRN) Reallocation Chart
(Only for Eligible Hold Harmless CoCs)

CoCs that receive the 1-year Hold Harmless PRN amount may reduce or eliminate one or more of the SHP grants eligible for renewal in the 2007 CoC competition. CoCs may reallocate the funds made available through this process to create new permanent housing project(s). These reallocation project(s) may be for SHP (1, 2, or 3 years), S+C (5 years), and Section 8 SRO (10 years) projects and their respective eligible activities.

***Reallocation projects WILL be funded if all of the following apply:**

1. Reallocation project is for permanent supportive housing (SHP-PH, SHP-Safe Haven PH, S+C, Section 8 SRO).
2. Reallocation project is not rejected by HUD (meets all “threshold” requirements)
3. CoC scores at least 65 points in the CoC competition.
4. Reallocation project is **not** the Samaritan bonus project.

Reallocation projects may have a 1-year grant term when they are SHP-PH or SHP-Safe Haven PH projects.

NOTE: Reallocated funds placed in the Samaritan bonus project will lose their reallocation status. Therefore, if the CoC scores below the funding line, the CoC will lose the reallocated funds included in the Samaritan bonus project.

S: CoC Project Leveraging Summary Chart

HUD homeless program funding is limited and can provide only a portion of the resources needed to successfully address the needs of homeless families and individuals. HUD encourages applicants to use supplemental resources, including State and local appropriated funds, to address homeless needs.

Enter the name of your Continuum and list the total amount of leveraged resources available. To get this number, find the total at the bottom of the Project Leveraging Chart for all Exhibit 2 project applications, add up all of these the totals, and enter this single number in the chart below. Complete only one chart for the entire CoC (do *not* add any rows). Provide information *only* for contributions for which you have a *written commitment in hand at the time of application*.

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

For the five HUD national objectives in the **2006** CoC application, enter the 12-month measurable achievements that you provided in Exhibit 1, Chart N of the **2006 CoC application**. Under "Accomplishments," enter the *numeric* achievement that your CoC attained within the past 12 months that is *directly related* to the measurable achievement proposed in 2006. Below, if your CoC did not meet one or more of your proposed achievements, please describe the reasons for this.

2006 Objectives to End Chronic Homelessness and Move Families and Individuals to Permanent Housing	12-month Measurable Achievement Proposed in 2006 (from Chart N of your 2006 CoC application)	Accomplishments (Enter the numeric achievement attained during past 12 months)
Example: 1. Create new PH beds for chronically homeless persons.	1. Create 5 new TRA S+C beds for chronically homeless persons through New Hope Housing Project. 2. Create 12 new PH beds through the River County PH project.	1. Created 5 new PH beds. 2. Created 8 out of the 12 new beds proposed in 2006.
2. Increase percentage of homeless persons staying in PH over 6 months to 71%.	1. Hire 2 additional case managers at New Hope Housing Project, which will allow for improved service provision. 2. Complete assessment of barriers to staying in PH and implement 5 key findings from this assessment.	73% of homeless persons stayed in PH over 6 months.
1. Create new PH beds for chronically homeless persons.		
2. Increase percentage of homeless persons staying in PH over 6 months to 71%.		
3. Increase percentage of homeless persons moving from TH to PH to 61.5%.		
4. Increase percentage of homeless persons becoming employed by 11%.		
5. Ensure that the CoC has a functional HMIS system.		
Briefly explain the reasons for not meeting one or more of your proposed measurable achievements.		
OPTIONAL: If desired, you may use this space to describe your CoC's most significant accomplishments over the past 12 months.

W: CoC Housing Performance Chart

The following chart will assess your CoC's progress in reducing homelessness by helping clients move to and stabilize in permanent housing, access mainstream services and gain employment. Both housing and supportive services projects in your CoC will be examined. Provide information from the most recently submitted APR for the appropriate RENEWAL project(s) on your CoC Project Priorities Chart. **Note:** If you are not submitting any renewals in this year's competition for the applicable areas presented below, check the appropriate "No applicable renewals" box in the chart.

1. Participants in Permanent Housing (PH)		
HUD will be assessing the percentage of all participants who remain in S+C or SHP permanent housing (PH) for more than six months. SHP projects include both SHP-PH and SHP-Safe Haven PH renewals. Complete the following chart using data based on the <u>most recently submitted</u> APR for Question 12(a) and 12(b) for PH projects included on your CoC Priority Chart:		
<input type="checkbox"/>	No applicable PH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	All PH renewal projects with APRs submitted are included in calculating the responses below	
a.	Number of participants who exited PH project(s)—APR Question 12(a)	
b.	Number of participants who did not leave the project(s)—APR Question 12(b)	
c.	Number who exited after staying 7 months or longer in PH—APR Question 12(a)	
d.	Number who did not leave after staying 7 months or longer in PH—APR question 12(b)	
e.	Percentage of all participants in PH projects staying 7 months or longer (c. + d. divided by a. + b., multiplied by 100 = e.)	%
2. Participants in Transitional Housing (TH)		
HUD will be assessing the percentage of all TH clients who moved to a permanent housing situation. TH projects include SHP-TH and SHP-Safe Haven/TH <i>not</i> identified as permanent housing. Complete the following chart using data based on the <u>most recently submitted</u> APR Question 14 for TH renewal projects included on your CoC Priorities Chart.		
<input type="checkbox"/>	No applicable TH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	All TH renewal projects with APRs submitted are included in calculating the responses below

X: Mainstream Programs and Employment Project Performance Chart

HUD will be assessing the percentage of clients in all your renewal projects who gained access to mainstream services, especially those who gained employment. This includes all S+C renewals and all SHP renewals, excluding HMIS projects. Complete the following charts based on responses to APR Question 11 for each of the renewal projects included on your CoC Priority Chart. For further instructions for filling out this section, see the Instructions section at the beginning of the application.

<input type="checkbox"/>	No applicable renewal projects for the Mainstream Programs and Employment Chart are included in the CoC Priorities Chart.

Y: Enrollment and Participation in Mainstream Programs Chart

It is fundamental that your CoC *systematically* helps homeless persons identify, apply for and follow-up to receive benefits under **SSI, SSDI, TANF, Medicaid, Food Stamps, SCHIP, WIA, and Veterans Health Care as well as any other State or Local program that may be applicable.** Which policies are currently in place in your CoC to help clients secure these mainstream benefits for which they are eligible?

Check those activities implemented by a majority of your CoC’s homeless assistance providers (check all that apply):	
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have case managers systematically assist clients in completing applications for mainstream benefit programs.
<input checked="" type="checkbox"/>	The CoC systematically analyzes its projects’ APRs to assess and improve access to mainstream programs.
<input type="checkbox"/>	The CoC has an active planning committee that meets at least three times a year to improve CoC-wide participation in mainstream programs.
<input type="checkbox"/>	A majority of homeless assistance providers use a single application form for four or more of the above mainstream programs.
<input checked="" type="checkbox"/>	The CoC systematically provides outreach and intake staff specific, ongoing training on how to identify eligibility and program changes for mainstream programs.
<input checked="" type="checkbox"/>	The CoC or any of its projects has specialized staff whose primary responsibility is to identify, enroll, and follow-up with homeless persons on participation in mainstream programs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers supply transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have staff systematically follow-up to ensure that mainstream benefits are received.
<input checked="" type="checkbox"/>	The CoC coordinates with the State Interagency Council(s) on Homelessness to reduce or remove barriers to accessing mainstream services.

West Central Illinois Continuum of Care

Code of Conduct

This Code of Conduct applies to all agencies belonging to, officers of, and directors of the West Central Illinois Continuum of Care (WCICCC). All members of the Continuum must act in good faith to the Continuum and its mission, which is helping communities to develop comprehensive and long term solutions to address the problem of homelessness in their communities. All members must use care, skill, and diligence when carrying out any acts affiliated with the Continuum. All members must use the highest standards of integrity, honesty, ethics, and fairness when carrying out any and all duties associated with the WCICCC. They must never use their position to get ahead in society in any way.

All members must not share any confidential information. Members may have access to confidential information regarding the agency, clients, and services and must not be shared. All members should ensure clients that information will only be used for what is necessary and it will not be shared.

The West Central Illinois Continuum of Care prohibits the acceptance of gifts or gratuities by members for their personal use. Members may not accept money, goods, services, or gratuities in excess of \$50 from any person who receives benefits or services or who contracts with the WCICCC. Members must avoid any behavior or measures that may be in conflict with those of the WCICCC as much as possible.

Members will not discriminate against any person or group because of race, gender, age, religion, sexual orientation, or disability. Members will be fair towards clients and colleagues when handling all comments and complaints and make sure the appropriate action is taken.

Members should report any violations of the code of conduct to the chair or co-chair. The agency will investigate all reports and take appropriate disciplinary action. Retribution against any member reporting a violation will not be tolerated. All issues and questions will be kept confidential.

To be sure that all members of the Continuum are aware and understand the Code of Conduct, they will receive a copy and must sign that they will abide by the rules and regulations.

Acknowledgment of Code of Conduct

I, _____, have received, read and understand the Code of Conduct policy for the West Central Illinois Continuum of Care.

West Central Illinois Continuum of Care Consortium BY-LAWS

Article I — Name

The name of the organization shall be West Central Illinois Continuum of Care Consortium (WCICCC). The name of the organization shall be West Central Illinois Continuum of Care Consortium (WCICCC). WCICCC serves the counties of Adams, Brown, Cass, Hancock, Henderson, McDonough, Morgan, Pike, Schuyler, Scott, and Warren.

Article II — Purpose

The purpose of the WCICCC is to collaboratively work together to identify ways to serve the homeless and respond to issues related to the homeless. WCICCC hopes to achieve this through the coordinated social service efforts of social service agencies, nonprofit organizations, faith-based organizations, private businesses, government agencies, banks, housing developers, educators, those who are homeless, previously homeless and other interested parties in the designated counties, as well as through their respective networks.

Article III — Membership

Membership is open to any of the above named parties in Article II, within the WCICCC jurisdiction, willing to actively participate in a long-term collaborative planning process focused on issues of homeless/at-risk individuals and families.

Article IV — Attendance

Members will be requested to attend meetings quarterly to insure continuity in the planning process. In order to be considered an active member, an agency or entity must attend at least fifty percent (50%) of the regular, full continuum meetings, within a given year.

Members will be requested to attend quarterly, full continuum meetings and committee meetings if they utilize the following services:

1. HUD Funding
2. Other collaborative funding opportunities

Article V — Meetings

Full continuum meetings will be scheduled, with advance notification provided, at a minimum on a quarterly basis.

Article VI — Requirements

A majority vote of members present at any WCICCC full continuum meeting is required to make decisions affecting the entire Continuum.

Article VII — Officers

Officers of the Continuum are: Chair, Co-Chair and Secretary. The officers will be elected by a majority vote and will serve a term of 2 years. The Chair and Co-Chair represent both the private and public sector at the same time, with staggered 2-year terms and the Chair position rotating between the private and public sector. Current office holders may seek re-

election. An officer may be removed if the majority of the Steering Committee feels that it is in the best interest of the Continuum.

Article VIII — Chair Responsibilities

The Chair's duties will be:

1. Serve as leader of the Continuum;
2. Preside over meetings of the Continuum;
3. Assist in establishing an agenda for all meetings;
4. Appoint members of committees;
5. Communicate effectively with Consortium members; and
6. Coordinate continuum business with Technical Assistant

The Co-Chair's duties will be:

1. Assist the Chair in any way necessary; and
2. Fulfill the duties of the Chair in his/her absence

The Secretary's duties will be:

1. Take minutes at all meetings;
2. Post minutes on WCICCC's website;
3. Give adequate notice of any meetings or deadlines; and
4. Fulfill duties of Chair and Co-Chair in their absence.

Article IX — Election of Officers

Election of officers will be held bi-annually. Steering committee will nominate a slate of officers for election by membership. The floor will accept other nominations.

Article X — Committees

Committees will be established as deemed necessary by the Continuum as a whole. Committees will meet on an as needed basis. The Steering Committee Chair will appoint committee members. Committee members will choose a Chair of each committee. Current standing committees are as follows:

STEERING COMMITTEE: There will be a maximum of ten steering committee members. There must be a representative for each county, though this designated person may represent more than one county. The Steering Committee's responsibilities shall include the following:

1. Designate a Chairperson;
2. Actively recruit members to participate and identify membership criteria;
3. Track member participation;
4. Review By-Laws;
5. Oversee the creation of Exhibit 1 and the grant application as a whole;
6. Suggest the establishment of new committees where it sees a need;
7. Identify funding sources which may be beneficial to the Continuum;
8. Work with members to facilitate participation in funding;
9. Recommend changes to the full membership; and
10. Provide quarterly reports to full membership.

EVALUATION COMMITTEE: The Evaluation Committee will perform the following responsibilities:

1. Designate a Chairperson who becomes part of Steering Committee;
2. Evaluate Department of Housing and Urban Development and Illinois Department of Human Services proposals;
3. Establish a method, criteria and process for ranking projects and determining project priorities; and
4. Provide quarterly reports to full membership.

~~**HMIS/DATA COMMITTEE:** The HMIS Committee's will perform the following responsibilities:~~

- ~~1. Designate a Chairperson who becomes part of Steering Committee~~
- ~~2. Establish a continuum-wide process for usage of the homeless management information system.~~
- ~~3. Maintain communication with members of Heartland Continuum of Care's HMIS committee.~~
- ~~4. Create and finalize a needs assessment survey and gaps analysis form~~
- ~~5. Establish deadlines for data collection and survey completion~~
- ~~6. Review current service provider inventory and keep it up-to-date~~
- ~~7. Provide quarterly reports to full membership~~

POINT-IN-TIME COMMITTEE: The Point-in-Time Committee will perform the following responsibilities:

1. Designate a Chairperson who becomes part of Steering Committee;
2. Keep abreast of HUD guidelines for point-in-time counts;
3. Establish deadlines for data collection;
4. Review current service provider inventory and keep it up-to-date; and
5. Provide quarterly reports to full membership.

HMIS COMMITTEE: The HMIS Committee will perform the following responsibilities:

1. Designate a Chairperson who becomes part of Steering Committee;
2. Keep abreast of HUD guidelines for HMIS standards;
3. Establish protocols to be used by HMIS users; and
4. Provide quarterly reports to full membership.

Article XI — By-Laws

By-Laws shall be in effect upon approval by a majority vote of the current members of the Continuum of Care.

Article XII — Amendments

Recommendation to change or amend by-laws may be made by any member. If a member desires to change or amend by-laws, they shall submit proposals, in writing, at a regular, full continuum meeting of the board. Such proposals shall then stand for action at the next regular, full continuum meeting of the board. During this period, the Technical Assistant shall give a twenty (20) day notice to all members of the board about proposed changes. Changes will be in effect upon approval by two-thirds of the WCICCC members present at a regular, full continuum meeting.

Article XIII — Rules of Conduct

The WCICCC's Code of Conduct shall be followed at all times. All members will be required to read and sign a form stating that they understand what is expected of them. If additional copies of the Code of Conduct are needed, one may be requested from the Chair.

Article XIV — Voting Privileges

All agencies/organizations as members shall have one vote. Members of state and federal governmental agencies who provide funding to the WCICCC members shall not have voting privileges and are present as members in an advisory capacity only. Local field office staffs of state agencies that provide funding are allowed to vote, one vote per local office.

CoC Discharge Planning Policy Chart

Foster care: In 1999, Congress enacted the Foster Care Independence Act (FCIA), authorizing \$140 million for the John H. Chafee Foster Care Independence Program (Chafee) to improve service delivery for foster youth transitioning out of care. With the implementation of Chafee, Illinois developed the Youth Housing Assistance Program (YHAP), which provides housing advocacy and cash assistance to youth aging out of foster care. YHAP targets youth at risk of becoming homeless who are approaching emancipation or who have already emancipated from the foster care system.

Housing advocacy is provided for youth at least 17 ½ and less than 21. Cash assistance is provided to youth between their 18th and 21st birthdays. Caseworkers refer youth to YHAP six months before emancipation if they are in need of housing services. Youth may receive:

- 1) Housing Advocacy – services to help youth locate housing, receive budget counseling, and gain access to community resources and social services,
- 2) Start-up Grant – youth can receive up to \$800 (\$1200 if pregnant, parenting or disabled) to cover start-up costs including deposits, furniture, appliances, etc. The start-up grants assist youth to move into housing that they can afford near the time of emancipation.
- 3) Partial Housing Subsidy – if a youth's housing costs exceed 30% of her/his income, their landlord will receive up to \$250 for 6 months, and if the housing costs exceed 50% of the income, for an additional 6 months (stopping at 21st birthday). The subsidy is designed to be large enough to provide a cushion for youth people learning to live on their own for the first time, but small enough to discourage youth from becoming dependent on the subsidy,
- 4) Crisis cash assistance – cash assistance may be used for deposits, rent, furniture, appliances, utilities and other items necessary to avoid or manage a crisis. Youth may receive up to \$2000 per 12-month period, if needed to manage a crisis. If an employed youth loses a job and needs to pay rent to avoid an eviction before another job is secured, that youth may receive up to \$600 one-time exception for rent.

Follow-up services are provided for a minimum of three months after the client secures appropriate housing. In YOUR CONTINUUM JURISDICTION HERE, the Housing Advocacy is provided by AGENCY(IES) HERE, and cash assistance is provided by AGENCY(IES) HERE, active participants in the CoC (IF THEY ARE).

SUPPORT 5% CODB INCREASE FOR STATE EMERGENCY FOOD AND SHELTER PROGRAM

Service providers are seeking a 5% Cost of Doing Business (CODB) increase, equaling \$445,000, for the Emergency Food and Shelter Grant Program for FY08. The FY08 budget proposal flat-funded the program at \$8.9 million. Because of the state's budget problems, funding for the program has decreased from \$9.7 million in FY03.

Rising costs for utilities and employee health care benefits are just some of the increased costs providers are facing that have inhibited their ability to provide services to people with no place else to go.

THE SERVICES PROVIDED HELP PEOPLE MOVE FROM HOMELESSNESS TO HOUSING

- Overnight Shelters and voucher programs provide people in crisis a place to stay.
- Transitional Shelters provide up to 24 months of housing while families and individuals prepare to move back into permanent housing.
- Supportive Services, such as transportation assistance, case management and counseling, are provided to all participants to help them achieve stability and self-sufficiency.

MOST PEOPLE MOVE BACK INTO PERMANENT HOUSING AFTER GETTING SHORT-TERM ASSISTANCE BUT MANY ARE TURNED AWAY

Here some key program statistics from FY06.

- 49,150 individuals served (58% in Chicago and 42% in the rest of the state).
- People were refused shelter almost 12,000 times due to lack of space (not including the City of Chicago, which does not track refusals).
- 35% of individuals served were aged 21 or younger.
- 56% of households stayed one month or less. Only 8% of households stayed more than 6 months.
- 56%, of households moved on to permanent housing or other shelter.

LACK OF AFFORDABLE HOUSING IS THE PRIMARY CAUSE OF HOMELESSNESS

In FY06, Participants cited the following factors as their primary cause of homelessness:

- 38%—lack of income to afford housing.
- 22%—family and neighborhood problems, such as overcrowding, family disputes, neighborhood safety and domestic violence.
- 15%—housing problems, such as unsafe housing and evictions.
- 12%—personal problems, such as substance abuse and mental illness.
- 6%—institutional release from prison or a mental health facility.
- 6%—relocation to another community.

**THE EMERGENCY FOOD AND SHELTER GRANT PROGRAM IS AN ESSENTIAL PART OF THE
STATE'S RESPONSE TO HOMELESSNESS**

- With increased funding, the City of Chicago and the 88 private agencies currently funded in the rest of the state would better be able to assist people to move back into permanent housing.
- Based on 49,150 individuals served in FY05, the FY07 funding level of \$8.9 million represents spending of only \$181 per person served.
- The Emergency Food and Shelter Grant Program is an essential part of the state's response to homelessness along with homelessness prevention, permanent supportive housing and other programs.

Say “NO” to the Governor’s proposed sweep of the Rental Housing Support Program

- This year’s proposed sweep of **\$9.4 million** amounts to **36%** of the \$26 million expected to be generated by the fee this year.
- In 2005 the legislature passed the Rental Housing Support Program. This program created a new \$10 state recording fee to fund rental subsidies to help extremely low-income households afford rent.
- When this legislation was passed, the Governor’s Office of Management and Budget promised in writing that unspent balances would not be swept from the fund during the legislatively mandated start-up period.
- The Governor’s office is now proposing to do what it promised NOT to do, sweep large balances intended to house low-income people across the state.

More than 1,700 families will NOT be able to access affordable housing if the Governor’s proposed sweeps are allowed to pass!

**Proposed Sweep Amount from \$26 million

Let your leadership know that you intended for the Rental Housing Support Program to assist low-income households around the state to afford housing NOT to fill holes in the state budget

THE SAFE HOMES ACT – Effective Jan. 2007

ENDING YOUR LEASE EARLY

CHANGING YOUR LOCKS

What is The Safe Homes Act?

It is a law that gives you or anyone in your household, including children, who are victims of domestic violence, dating violence, stalking, or sexual violence (“domestic or sexual violence”) the right to:

- End your lease (written or oral) early and leave the home. Tenants who properly use the law will not be responsible for rent due after they leave the home.
- Change the locks to keep the abuser out of the home in an emergency. You can only do this if you have a written lease and the abuser is not on the lease.

Is my home covered by the Act?

You can protect yourself under the Act if you live in:

- Private rental housing, no matter the size.
- Subsidized housing, including housing choice “Section 8” vouchers.
- Public housing is NOT covered.

Under The Safe Homes Act, you or a household member who is a victim of domestic violence or sexual violence, can end the lease early, even when the abuser is a member of the household, if:

- There is a credible imminent threat of harm on the premises.
- You give the landlord written notice of the credible imminent threat 3 days before or after you leave the home.

If you end your lease early, you must remove all your belongings and turn over your keys to your landlord or property manager. This shows that you have given up the apartment.

Extra Protections for Sexual Violence

You or anyone in your household, including children, may end the lease early WITHOUT showing a credible imminent threat, if an act of sexual violence took place on the premises. To end the lease you, or anyone in the home, must:

- Give the landlord written notice 3 days before or after you leave the unit and within 60 days of the event, or as soon as possible.
- Include evidence such as police reports, medical records, court records, or a statement from a victim services organization with the notice.

You can ONLY change your locks if you have a written lease and the abuser is NOT on the lease. If you are covered, you have the right to ask your landlord for an emergency lock change.

You must give your landlord a written request from everyone who is on the lease. The request must be due to a credible imminent threat of domestic or sexual violence. The request must include at least ONE of the following:

- A statement from an employee of victim services, domestic violence, or rape crisis organization from which you or anyone in your household, including children, has sought services.
- Medical, court, or police evidence.

Your landlord must change the locks or give you permission to change the locks within 48 hours of the written request. If your landlord does not change the locks within 48 hours, you may change them on your own without the landlord’s permission, or sue the landlord in court to have the locks changed. If you change the locks, you must give the landlord a new key within 48 hours.

EXAMPLES OF:

VIOLENCE AGAINST WOMEN ACT (VAWA)

Credible Imminent Threat

- The abuser comes to your or a household member's job and you fear he will come to your house next.
- A stalker stands across the street from your or a household member's apartment.
- You are sexually assaulted on the premises and the police have not caught the abuser.
- An abusive ex-boyfriend knows where you live.
- Your wallet and keys were stolen by the abuser and have not been found.

On the Premises

- Laundry room, back yard, parking lot, hallways, front and back entrances, inside the apartment unit, etc.

Written Notice

- "My ex-husband just got out of jail and found out where I live. He said he would kill me. I have to leave my apartment now" (to end the lease early).
- "My date sexually assaulted me in my apartment last night. I don't feel safe here anymore" (to end the lease early).
- "My ex-boyfriend made a copy of my house key without permission. I want to change the locks because I don't feel safe" (to get the locks changed).

What is VAWA?

VAWA is a federal law that protects victims of domestic violence, dating violence, and stalking who live in or with:

- **Public Housing**
- **Project-Based Section 8 Housing**
- **Private Housing with a Housing Choice "Section 8" Voucher**

Victims of sexual violence are only protected in some situations.

Admissions

Property owners CANNOT use an applicant's history of domestic violence, dating violence, or stalking as a reason to refuse housing assistance if they otherwise qualify.

Evictions

Incident(s) of ACTUAL or THREATENED domestic violence, dating violence, or stalking, including related criminal activity, do NOT give a landlord the right to evict if the victim is a tenant or immediate member of the tenant's family.

Ending the Abuser's Lease

The building owner may evict, remove, or terminate the lease of a single tenant who commits physical violence against family members or others. The building owner also must obey any court order that gives victims of violence possession of the home.

OPEN DOORS, OPEN LANDS

A Campaign to Increase Funding for Affordable Housing and Open Space

SB445: REFORMING ILLINOIS' REAL ESTATE TRANSFER TAX

(SB 445: Martinez – Hunter – Lightford – Harmon, Collins, Raoul, Cullerton)

Illinois' Real Estate Transfer Tax funds the Affordable Housing Trust Fund, the Open Space Lands Acquisition and Development Fund, and the Natural Areas Acquisition Fund. Of the 37 states with a transfer tax, only one has a rate lower than Illinois'. Other state's rates are up to twelve times higher.

Illinois Has a Critical Shortage of Affordable Housing and Open Space

- **More than 722,000 households in Illinois pay more than half their income** for housing, leaving too little for other basic necessities.
- **For every new affordable housing unit built, two are lost** to demolition, conversion or abandonment.
- **More than 26,000 households a year are homeless** in state-funded shelters.
- Illinois ranks **48th in the nation** in public open space per capita.
- Only **3.6% of Illinois land** is in public ownership for natural resource **protection and enjoyment**.
- Illinois is **losing more than 130 acres a day** to development. Without funding for land acquisition and protection, **opportunities for habitat preservation and recreation will be lost forever**.

A reformed Real Estate Transfer Tax would generate an estimated \$202 million with \$86 million in new funding for affordable housing, open space, and conservation efforts. The reformed tax would increase the rate for higher-end properties while providing a tax reduction to 98% of all property transactions statewide through a tax cut on the sale of properties priced less than \$1,000,000.

Increased Funding Would Reduce the Shortage

- **Expand Cost-Effective Supportive Housing Programs Through a 20% Set Aside.** Supportive Housing provides those who are homeless or have special needs with permanent affordable housing and support services.
- **Preserve Existing Affordable Housing.** Approximately 39,000 subsidized housing units are at risk of loss within the next five years.
- **Reduce Cost to Business Through Live-Near-Work Initiatives.** Living far from work increases business costs, traffic congestion, and air pollution.
- **Develop and Expand Public Parks and Outdoor Recreation.** The demand for fishing, hunting, ball fields and playgrounds continues to increase.
- **Restore Important Ecosystems.** High-quality natural communities, which provide a healthy and diverse habitat for wildlife and endangered species, need protection.
- **Increase Flood Management and Water Quality.** Wetlands and open spaces absorb water during rainfall and so naturally reduce flooding and preserve water quality during storms.

OPEN DOORS, OPEN LANDS

A Campaign to Increase Funding for Affordable Housing and Open Space

The Proposal

Currently, the state RETT is \$.50 per \$500 of property sale value.

The revised structure would provide a **tax cut** to sellers of properties priced up to \$1,000,000.

Properties would be taxed according to the following rate structure:

- Value up to \$500,000 would be taxed at \$.40 per \$500 (.08%)
- Incremental value between \$500,000 and \$1 million would be taxed at \$.60 per \$500 (0.12%)
(Note: Because of the decrease in the tax rate on the first \$500,000 in value, any property priced under \$1,000,000 would pay a reduced tax)
- Incremental value between \$1 million and \$3 million would be taxed at \$3.50 per \$500 (0.7%)
- Incremental value over \$3 million would be taxed at \$5.00 per \$500 (1.0%)

In FY 2006, the RETT generated roughly \$116 million for affordable housing, conservation, and open space. The new RETT structure would generate an estimated \$202 million per year, including \$86 million in new funding. Under current state law, the new money would be allocated as follows:

- An additional \$44 million for the Affordable Housing Trust Fund
- An additional \$30.1 million for the Open Space Lands Acquisition and Development Fund
- An additional \$12.9 million for the Natural Areas Acquisition Fund
