

## **Notice of Deadline Extension**

**For**

### **2017 CoC Competition Project Applications**

Due to CoC-funding recipients participation in the Service Point training out of state last week, the late publication of the detailed instructions for the project applications, and timeliness of the webinars for strategically planning the CoC and Project Applications; the Research and Evaluation Committee's subcommittee of Ranking and Review have elected to extend the deadline for project applications to Friday, August 18 at 4:00 p.m.
