Council Members;

I need your vote of yes or no to accept the funding recommendations for the current HUD CoC funding competition. I attached the minutes from the Research and Evaluation Committee's sub-committee's meeting and their scoring of the projects. No organization stepped forward to apply for the bonus so new applications were reviewed or ranked.

If I may have your vote by Friday, September 8, at noon, that would be wonderful. Myndi Boyd and I must abstain from voting since our organization is a project applicant.

Please let me know if you have any questions. Thank you so much.

Regards,

Mary Muehlenfeld
