

# FY 2018 CoC Program Competition: *e-snaps* is Now Available

The FY 2018 Continuum of Care (CoC) Consolidated Application (CoC Application and CoC Priority Listing) and project applications are now available in [e-snaps](#). Collaborative Applicants and project applicants can now access the applications to review, update, and enter information that is required for the application process through the [FY 2018 CoC Program Competition NOFA](#).

**Submission Deadline: Tuesday, September 18, 2018 at 8:00 PM EDT**

## Project Applicants

- Returning project applicants can choose to import the FY 2017 renewal project application responses; however, this must be requested during your registration of the Renewal Funding Opportunity in *e-snaps* and is only available if you submitted a renewal project application in the FY 2017 CoC Program Competition (last year). If you import last year's responses, be sure to carefully review them to ensure they are still accurate and representative of the project.
- If this is your organization's first time renewing your project, you will not be able to import information from FY 2017 and must, therefore, complete the entire renewal project application.
- All new project applications must complete the entire new project application.

## Collaborative Applicants

- CoC Application and CoC Priority Listing are separate submissions in *e-snaps*. Collaborative Applicants must submit both parts of the CoC Consolidated Application by the application deadline for HUD to consider the CoC Consolidated Application to be complete.
- HUD released a new report in the HUD [Homelessness Data Exchange](#) (HDX) for each CoC called the "CoC Competition Report." This report includes the majority of the data reported in HDX needed to complete the FY 2018 CoC Application, including Housing Inventory Count (HIC), Point-in-Time (PIT) count, and System Performance Measures data, in a single report for CoCs to conveniently attach. The instructions on how to access the [CoC Competition Report](#) are also posted to the HUD Exchange.

## Detailed Instructions and Instructional Guides

We anticipate that the detailed instructions and navigational guides will begin appearing on the [e-snaps Resources](#) page on the HUD Exchange the week of July 2, 2018:

- Project Applications
  - Renewal
  - New

  - CoC Planning

- CoC Application
- CoC Priority Listing

We anticipate that all detailed instructions and instructional guides will be posted by July 10, 2018.
